

TrigAR2019

1º CONGRESO INTERNACIONAL DE TRIGO

www.trigar.com.ar

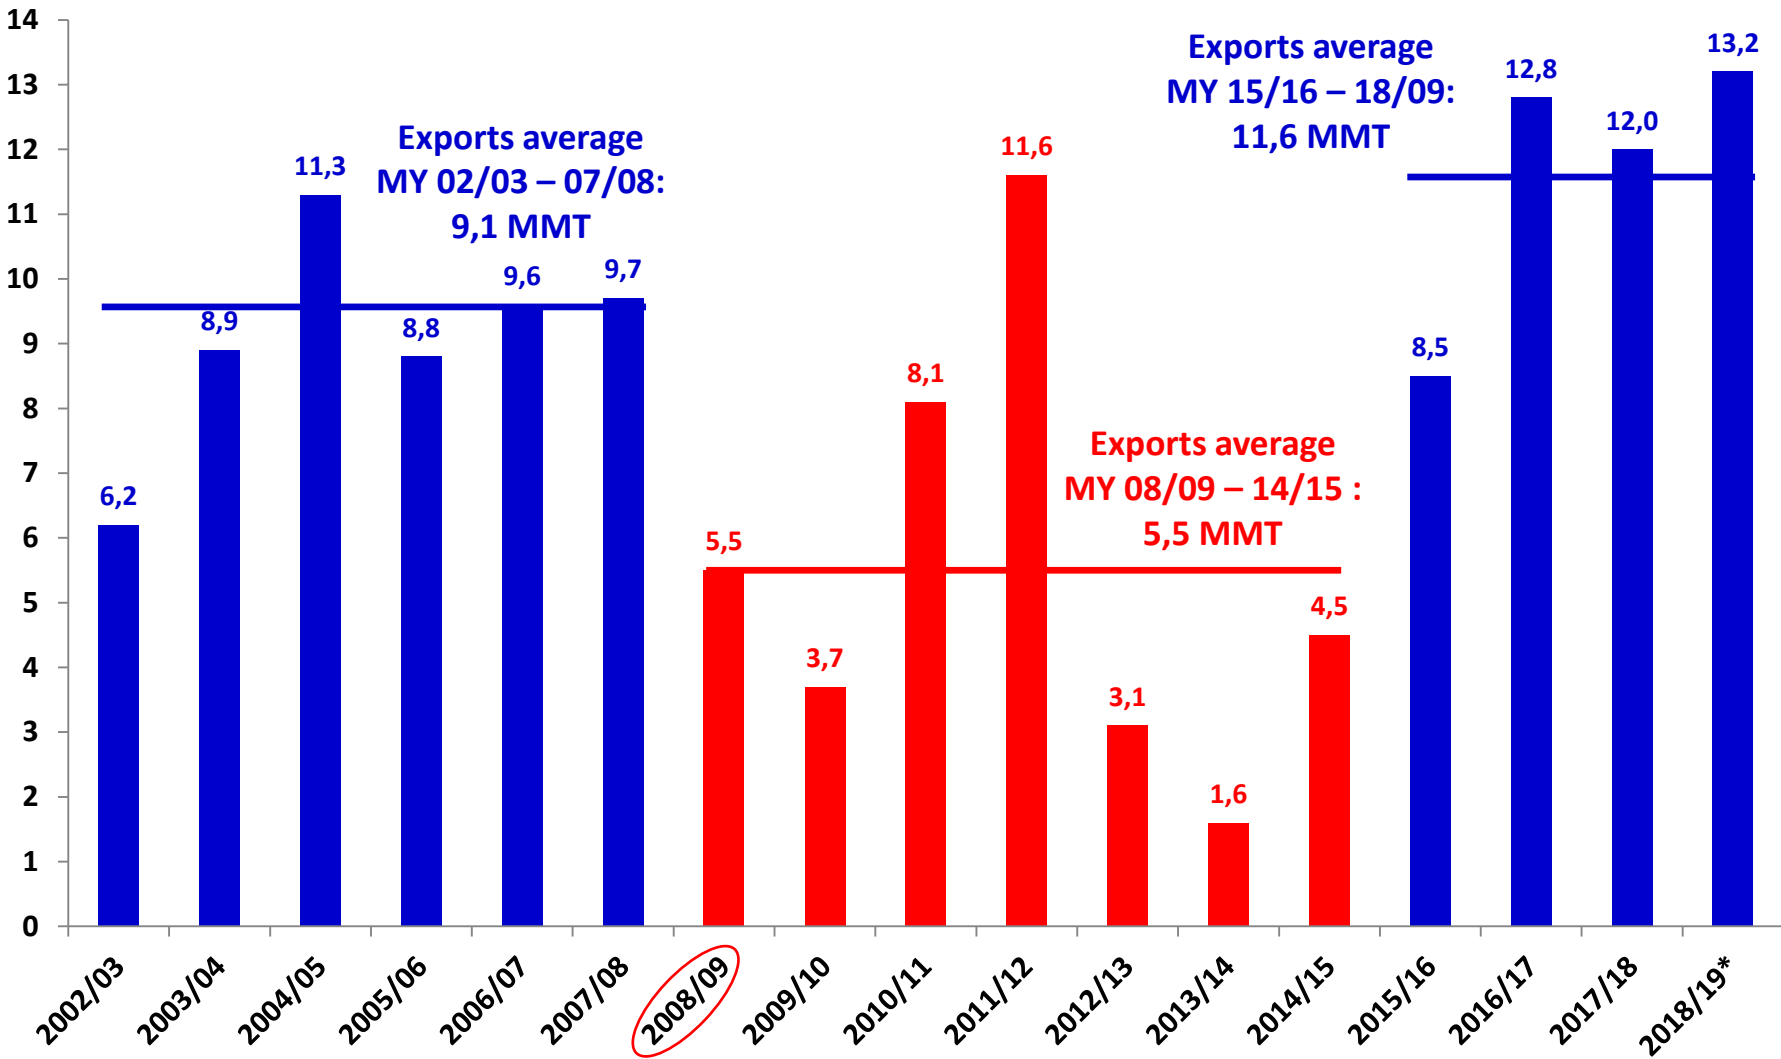

Argentina hacia el mundo,
el mundo hacia Argentina

5, 6 y 7 de Junio de 2019
Complejo Ferial Córdoba, Argentina.

Growth period recover means jacking up exports for 4 years in a row...

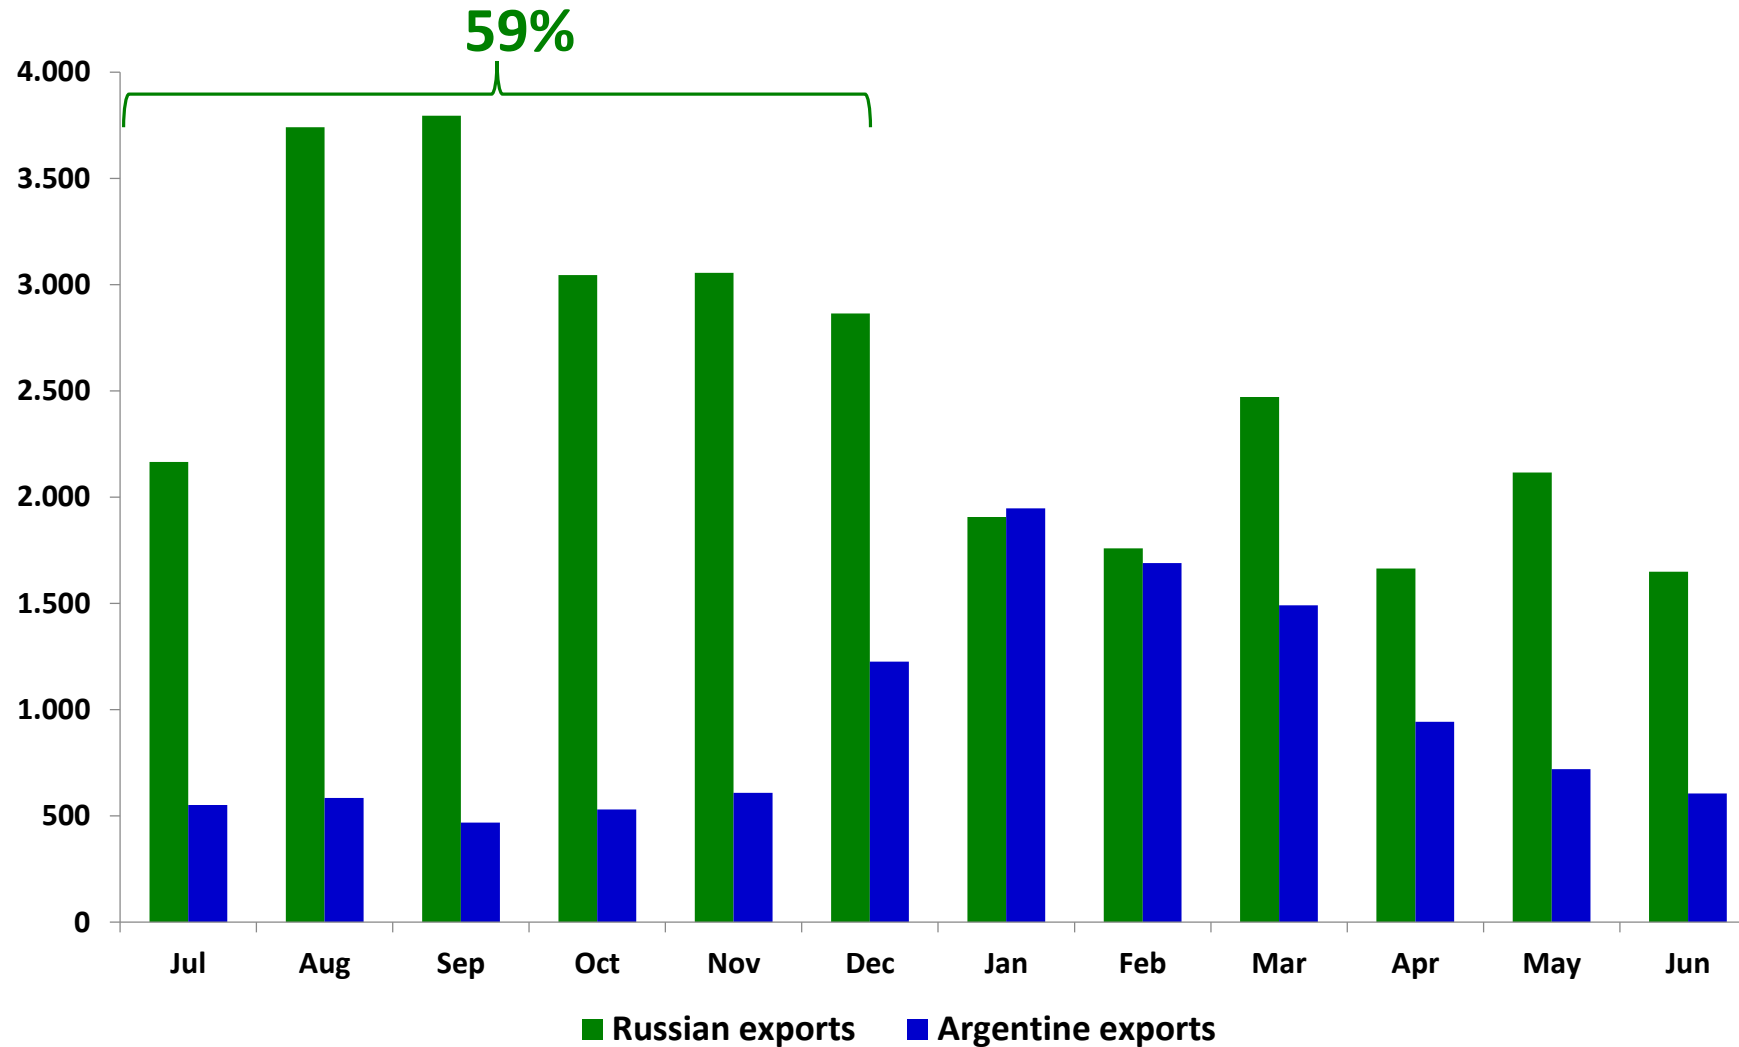

Argentinean wheat exports (excluding flour) in MMT (from December to March)

Source : according to INDEC. * Secretariat of Agro-industry forecast in May 2019

Worldwide buyers rely on Argentinean wheat from now on

Russian & Argentinean wheat monthly exports (all wheat) on average from MY 2015/16 to 2017/18, in KMT

Source : according to INDEC / Rosstat

TrigAR goals

- Letting our traditional as well as potential clients know what the main opportunities and challenges of the Argentinean wheat are in the world market in front of its main competitors
- Featuring the new requirements from international buyers and end users of wheat and its byproducts so as to understand what the world needs in terms of quality, logistic, service and so on
